WHAT'S RABBI HARVEY UP TO NOW?

Since Rabbi Harvey first bestowed his wisdom upon the town of Elk Spring in *The Adventures of Rabbi Harvey* and *Rabbi Harvey Rides Again* (both Jewish Lights), he has been known throughout the western frontier for his sound judgment, quick wit and kindness.

In **RABBI HARVEY vs. THE WISDOM KID: A Graphic Novel of Dueling Jewish Folktales in the Wild West** (Jewish Lights / Quality Paperback Original / Full-color illus. / \$16.99) he resolves conflict, offers friendship and teaches Jewish values, while still finding time for a good meal and some fishing.

Though they may not be quite as you remember them, each lesson in this witty and original story is based on traditional Jewish folktales, Hasidic legends and Talmudic teachings. The refreshing presentation in graphic novel format will uplift, amuse, surprise and, especially, make you laugh.
